PRESENT

A DAY OF HEALING AND RENEWAL

Saturday, November 5, 2011

**Christ the Redeemer
Anglican Church
Garland, Texas**

Jesus said to his disciples *“Go into all the world and preach the gospel to the whole creation. He who believes and is baptized will be saved; but he who does not believe will be condemned. And these signs will accompany those who believe: in my name they will cast out demons; they will speak in new tongues...they will lay their hands on the sick, and they will recover.”*

Jesus associated the ministry of physical, emotional and spiritual healing with the call to discipleship and evangelism. Yet, in many churches today, the ministry of healing has been lost and some churches do not understand the key role of healing in reaching the lost. The Bible gives us many examples of Jesus healing the sick as an instrument of evangelism. If the Christian Church in America is to be effective in reaching the lost in today's world, it must recover the ministry of healing and raise up a new generation of disciples who can use the healing ministry as an effective tool of evangelism.

Aside from the valuable and informative teaching on healing and its role in the church's mission, participants will also have a chance to:

- Receive personal prayer for healing from trained prayer ministers.
- Have practical opportunities to pray for other participants in the area of physical, emotional and spiritual healing.
- Participate in a Healing Service that will focus on different areas of healing: spiritual, emotional & physical
- Further develop spiritual gifts and have an opportunity to receive the empowerment of the Holy Spirit to use those gifts.

Please consider joining other Anglicans from North Texas in Christ the Redeemer's semi-annual day of Healing & Renewal. The day will begin at 8:30am with a light breakfast and will end at approximately 9pm after an evening healing service. Meals will be provided and the cost is only \$20 for the entire event.

The day will include praise, teaching on healing, prayer for empowerment, prayers for healing in all forms and a chance to fellowship with other Anglicans from around North Texas.

The day will be facilitated by Father Lawrence Harrison, Rector of Christ the Redeemer, and a long time participant in the healing ministry.

The day is open to any who desire healing and renewal in their personal lives. Past events have yielded much fruit in personal lives and testimonies to many healings have been given by former participants.

To register for the event, fill out the attached form. For more information, please contact the church office at 972-240-0181.
